

The Governor's directive that all non-essential employees **work from home** ends on Sunday, May 31<sup>st</sup>.

This directive has been extended several times in the past, and each time the Governor has made the announcement very close to the previous deadline. Regardless of the direction that the University may receive over the weekend, we want to discourage non-essential employees from returning to work. **Please continue to operate pursuant to your telecommuting arrangement with your supervisor until directed otherwise.**

Employees will be formally notified when they should return to campus.

Please contact Human Resources at [OHRM@albany.edu](mailto:OHRM@albany.edu) with any questions.

Denise Szelest  
Director of Human Resources
